MEMORANDUM FOR: Deputy Director (Support)

SUBJECT: Assignment of Personnel to Central Processing
Branch, Office of Personnel

1. This memorandum contains a recommendation submitted to the Deputy Director (Support) for approval. Such recommendation is contained in paragraph 3.

2. In Enclosure 1 of the attached exhibit, the Director of Personnel requests concurrence of the Director of Logistics to assume full responsibility for the staffing of six (6) positions now under the technical cognizance of the Transportation Division, Office of Logistics. Such a move appears to be contrary to the policy established by you at the time that certain positions were transferred from this Office to the Central Processing Branch.

3. If it is felt that a review of existing working relationships is in order, it is recommended that the Management Staff be requested to resurvey the Branch to determine appropriate distribution of functions, and number and types of personnel to staff so much of the Branch as now comes under the technical cognizance of this Office.
